

# HOME DEPOT SUPPORTS HOMOSEXUAL ORGANIZATIONS

Are you aware that *Home Depot* is a heavy supporter of several radical homosexual organizations? Not only do they support them, they participate in these organizations' programs and activities and flaunt those who oppose the homosexual lifestyle!

Because of this I have signed a petition/pledge to no longer be a customer of *Home Depot*. Look over the link below to see the evidence of their stand for and participation in these homosexual groups. <http://action.afa.net/item.aspx?id=2147496231>. This is the American Family Association (AFA)

## **BOYCOTT! THE HOME DEPOT PROMOTES THE HOMOSEXUAL AGENDA**

For several years, The Home Depot has given its financial and corporate support to open displays of homosexual activism on main streets in America's towns.

Rather than remain neutral in the culture war, The Home Depot has chosen to sponsor and participate in numerous gay pride parades and festivals. Most grievous is The Home Depot's deliberately exposing small children to lascivious displays of sexual conduct by homosexuals and cross-dressers, which are a common occurrence at these events.

Judge for yourself by reviewing the photos below, taken during recent homosexual events sponsored by The Home Depot. Should The Home Depot be helping advance the homosexual agenda? And more importantly, will you choose to boycott The Home Depot?

The goal of every homosexual organization supported by The Home Depot is to get homosexual marriage legalized. The

information below provides just a glimpse of how broad The Home Depot's support for the homosexual movement is.
