COIMBATORE BIBLE INSTITUTE

Aruldass and wife, Lilly, Principals

Lilly was chosen as the principal of the young women's school in 1992 because of her excellent Bible knowledge. This is a two-year school that requires the young women to study the Bible 22 hours per week in class, with daily memory verses and tests. Each course also is followed with a final exam. In these intervening years 599 women have graduated from the Coimbatore Bible Institute for Women. *Lilly* served faithfully until she passed from this life on January 9, 2006 suffering from congestive heart failure. Her position was filled by one of her closest co-workers, *Arasu*.

For nineteen years between 1992 and September 1, 2011 *Aruldass* served as principal of Coimbatore Bible Institute for Single Men located on the Angie Greene Campus. During those 19 years 329 young men were trained to be Gospel preachers. We thank God for these and others like them who have made this work a success.
